Living Room Concert #10 Band

Have a wonderful winter break! Please remember to practice your instrument!

Expectations	Adult Rating	
	They did great!	Would benefit from a little more practice!
Child practiced “Song of the Fjords” (#27 in their red book) several times this week and perfected it on their own BEFORE performing it in front of their audience.		
Child followed along with the notes in their book as they played (do not let them play the song from memory). We are working on reading music, so this is important!		
Child played the correct notes and rhythms to the best of your knowledge. Child should be speaking the rests out loud (they should be saying “rest”).		
Child played with good posture: sitting or standing tall, feet flat on the floor, and looking straight ahead.		
Child accepted applause with grace, and thanked the audience for listening by bowing and smiling.		
Child played their instrument for at least 5 minutes every day this past week. <i>(Please encourage them to do so all year!)</i>
