	They did their best!	Would benefit from a little more practice!
Child practiced both lines of the “Lightly Row Duet” from their Concert Sheet Music before performing both lines for their audience (they should speak the notes, then finger the notes, then play each line several times until they can play both lines confidently). Extra copies of the sheet music can be found on Google Classroom.		
Child performed both lines of the song <u>confidently</u> with the correct notes and rhythms (to the best of your knowledge).		
Child played with good posture: sitting or standing tall, feet flat on the floor, and looking straight ahead.		
Child accepted applause with grace, and thanked the audience for listening by bowing and smiling.
