Expectations	Adult Rating	
	They did great!	Would benefit from a little more practice!
Child practiced the assigned measures from their concert music several times this week and perfected it on their own BEFORE performing them for their audience. Measure assignments are on the back of this page. Sheet music can be found on Google Classroom.		
Child played their notes and rhythms confidently without hesitating, slowing down, or restarting.		
Child played with dynamics (adjusted how loud and soft they played so that the volume contrast was obvious).		
Child bowed and smiled at the end of their performance.		
Child played their instrument for at least 5 minutes every day this past week. <i>(Please encourage them to do so all year!)</i>
