Child played the correct notes and rhythms (to the best of your knowledge).		
Child played with good posture: sitting or standing tall, feet flat on the floor, and looking straight ahead.		
Child accepted applause with grace, and thanked the audience for listening by bowing and smiling.		
Five Points of Extra Credit: Child created (by drawing or printing) a concert program for their audience that provides the title they made up for their concert, their name, and the 3 songs they will be performing.	Staple your program to this Living Room Concert before you hand it in!
